RE: Bond Release
Western International Corporation
ACT/043/005
Summit County, Utah

Dear Ms. Diggins:

In response to your letter dated October 5, 1982 regarding Bond Number 19 S 39,174 for Western International Corporation (WIC), the Division would be more than willing to release said bond upon a written request from WIC stating that they have not commenced any on-site mining activity and that they no longer wish to have their mining and reclamation plan considered as valid.

Upon receipt of such notification by WIC and a site inspection, the Division will terminate approval of WIC's mining and reclamation plan, withdraw the permit application and release the reclamation surety.

Western International Corporation representatives will be advised of this requirement via copy of this letter.

Sincerely,

JAMES W. SMITH, JR.
